※Total credits for graduation: 132 (University Cores: 52; College Cores: 3; Departmental Cores: 33; Department Electives: 34; General Electives: 10)
© When taking the 33-credit departmental cores, students should follow the following regulations.
(1) Students need to pass English Reading for International Affairs and English Writing for International Affairs before taking Introduction to Research Methodology .
(2) Students need to pass Introduction to Research Methodology and Conference English and International Etiquette before taking Graduation Project I and Research Methodology I.
(3) Students need to pass Graduation Project I before taking Graduation Project II and Research Methodology II.
(4)Students need to pass Graduation Project I and Graduation Project II. Students failing either Graduation Project I or Graduation Project II need to retake Graduation Project I and Graduation Project II.
© When taking the 34-credit departmental electives, students should follow the following regulations.
(1) Among the pair courses of (Contemporary Social Development Problems and Cultural Politics and Society), (Comparative Politics and International Relations ), and (Economic Policy and Introduction to Business Management), students need to pass at least 4 courses from the 2 pairs.
(2)Students need to take Case Study and Qualitative Analysis or Survey Design and Applied Statistics

## ©When taking the 10-credit general electives, the following rules apply.

(1) All elective courses and internship offered by the Department or other international-affairs-related courses offered by other departments can be qualified as the credits for the 10 -credit general electives. (When taking courses offered by other departments, please check with the Department to assure that they are related to international affairs.)
(2) If Students' English proficiency is at the C2 level of the CEFR (The Common European Framework of Reference for Languages), they can provide proof of certificate to the Department to waive English Reading for International Affairs and English Writing for International Affairs and to take another 6 credits of courses to meet the requirements of the two core courses.

(3) Before graduation, every student needs to successfully pass at least one certificate sanctioned by the department.
(4) Before graduation, every student needs to successfully pass at least an internship sanctioned by the department.
(a) Internship is a 4-credit course, which can be counted as 4 credits of the 37 -credit departmental electives. Students need to intern for 320 hours.
(b) Overseas Internship I is a 4-credit course, which can be counted as 4 credits of the 37-credit departmental electives. Students need to intern for 144 hours.
(c) Overseas Internship II is a 2-credit course, which can be counted as 2 credits of the 37 -credit departmental electives. Students need to intern for 72 hours.
(d) Job Shadowing is a 1 -credit course, which can be counted as 1 credit of the 37 -credit departmental electives. Students need to intern for 54 hours.
(e) Semester-based Off-Campus Internship is a 9-credit course, which can be counted as 9 credits of the 37 -credit departmental electives. Students need to intern for 4.5 months. Before taking this internship, students need to pass Graduation Project II.
(f) Students can only choose one of the internships to be counted as the credits for departmental electives.
(5) For the required general education courses, Four-year College students of Day Division must choose one course each from Humanities \& Arts group and Social Sciences group, and two from the Science group, for a total of 8 credits. Elective general education courses can be chosen in the 3rd year.
(6) The Science group courses for students who enrolled in the 2016 academic year and after are divided into two subgroups-A and B. Students must choose one 2-credit course from each subgroup.
(7) The exact list of general education course to be offered is subject to the arrangement of the General Education Center's course catalog of the academic year. Prior to graduation, please check whether you have fulfilled the course requirement for each group.
(8) These elective courses listed are for reference only, please refer to the latest list on each department website every year to make sure the courses are available.
(9) The elective courses offered by each deparment are department electives for students in that department. While for students from different departments, those courses only count as general elective courses. (Different in credit)
(10) Should there be any changes in the course schedule of the department, please refer to the newest version.
